* "Grant Years" are measured by the aggregate number of years in which all individual PI's affiliated with a specific institution received funding from NIEHS. If 2 PI's from the same institution each received 5 years of funding during the period 1975-2005, this would result in 10 "grant years".

Data sources: IMPAC II and NIEHS SPIRES application

Supplemental Material, Figure 1. Number of NIEHS asthma-related active grants by total asthma awards, by PI and by grantee institution, 1975-2005

Supplemental Material, Figure 2. Number and amount of NIEHS asthma-related grants by activity category, 1975-2005. Up to two activity codes are assigned to each grant and tracked in the IMPAC II data system. More information about the grant coding can be found on the NIEHS “Who we Fund” webpage (<http://tools.niehs.nih.gov/portfolio/>).
